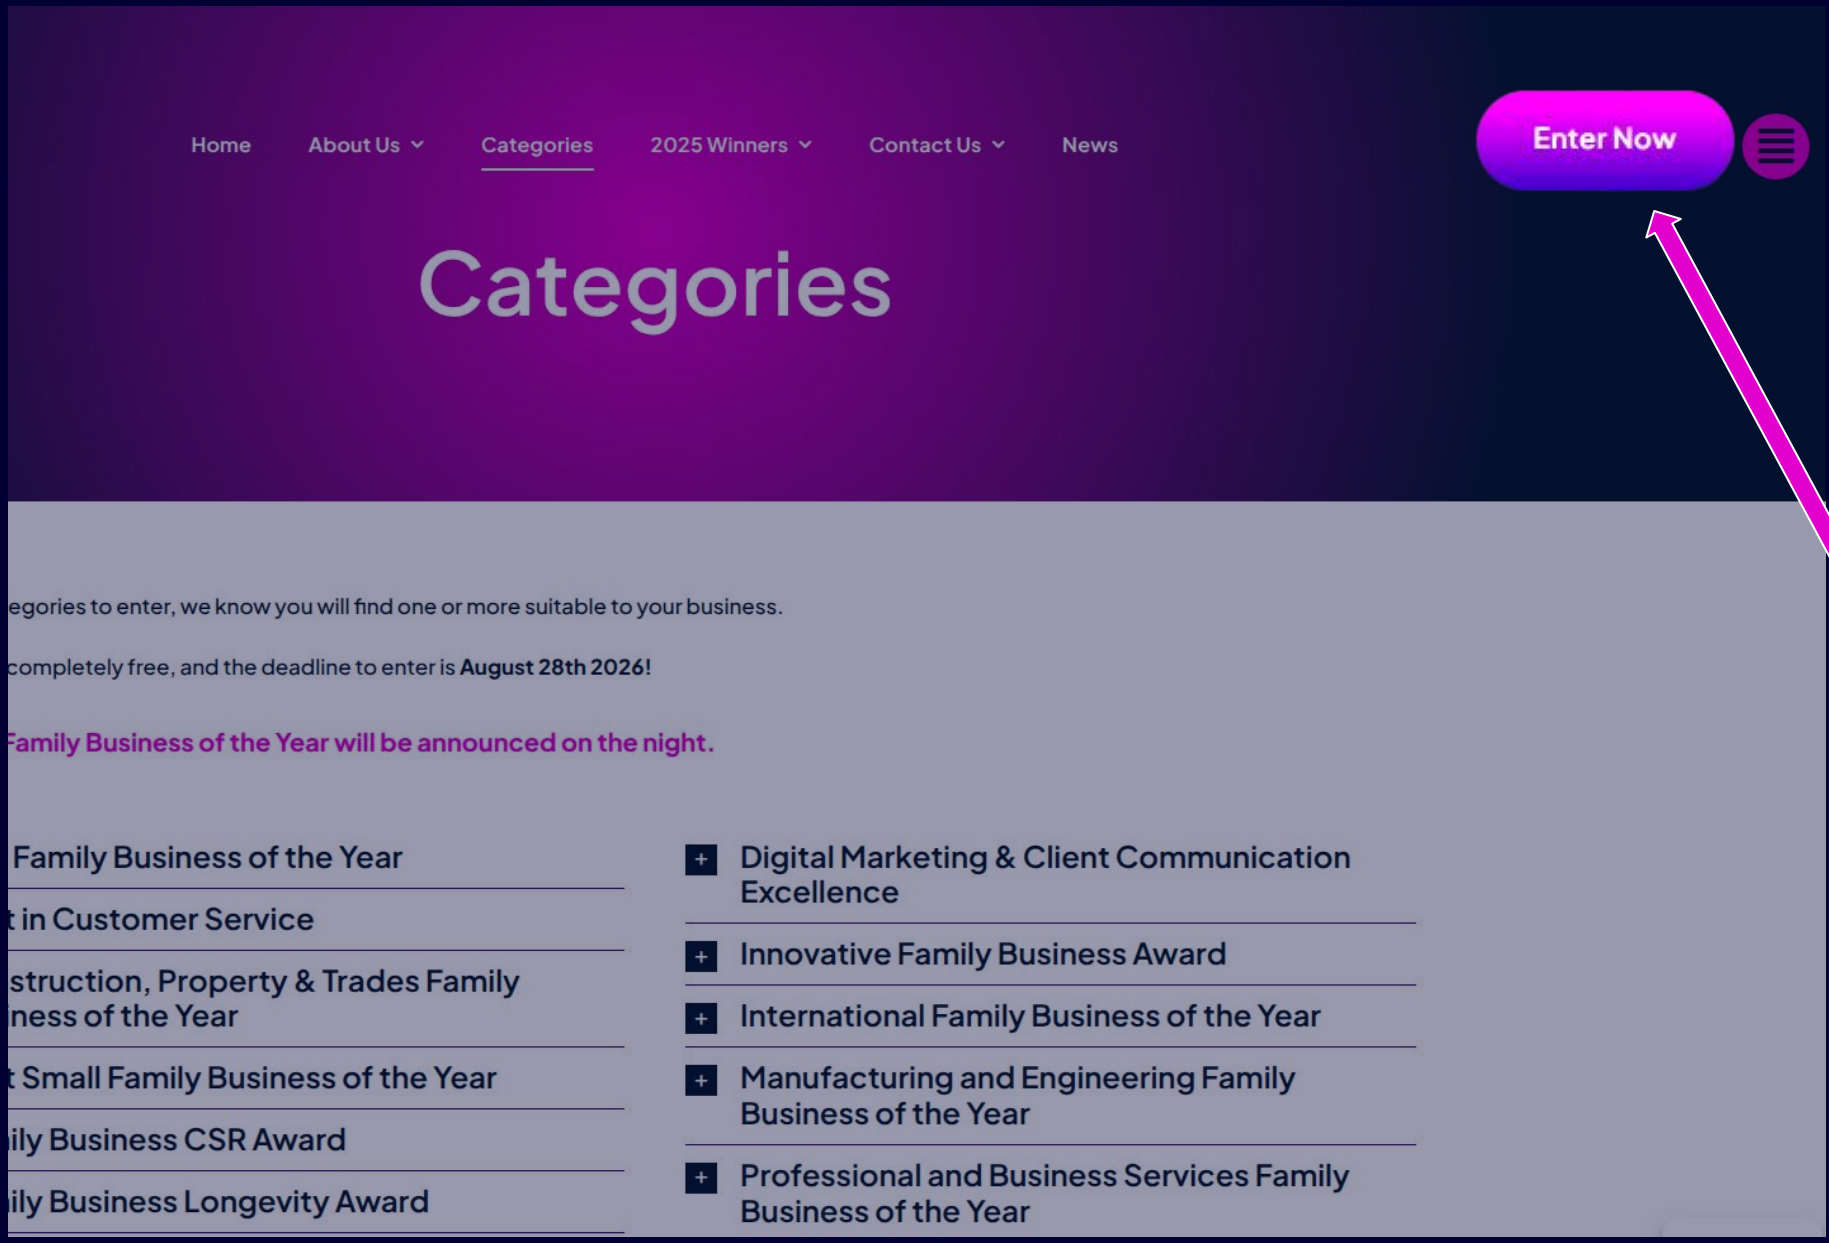
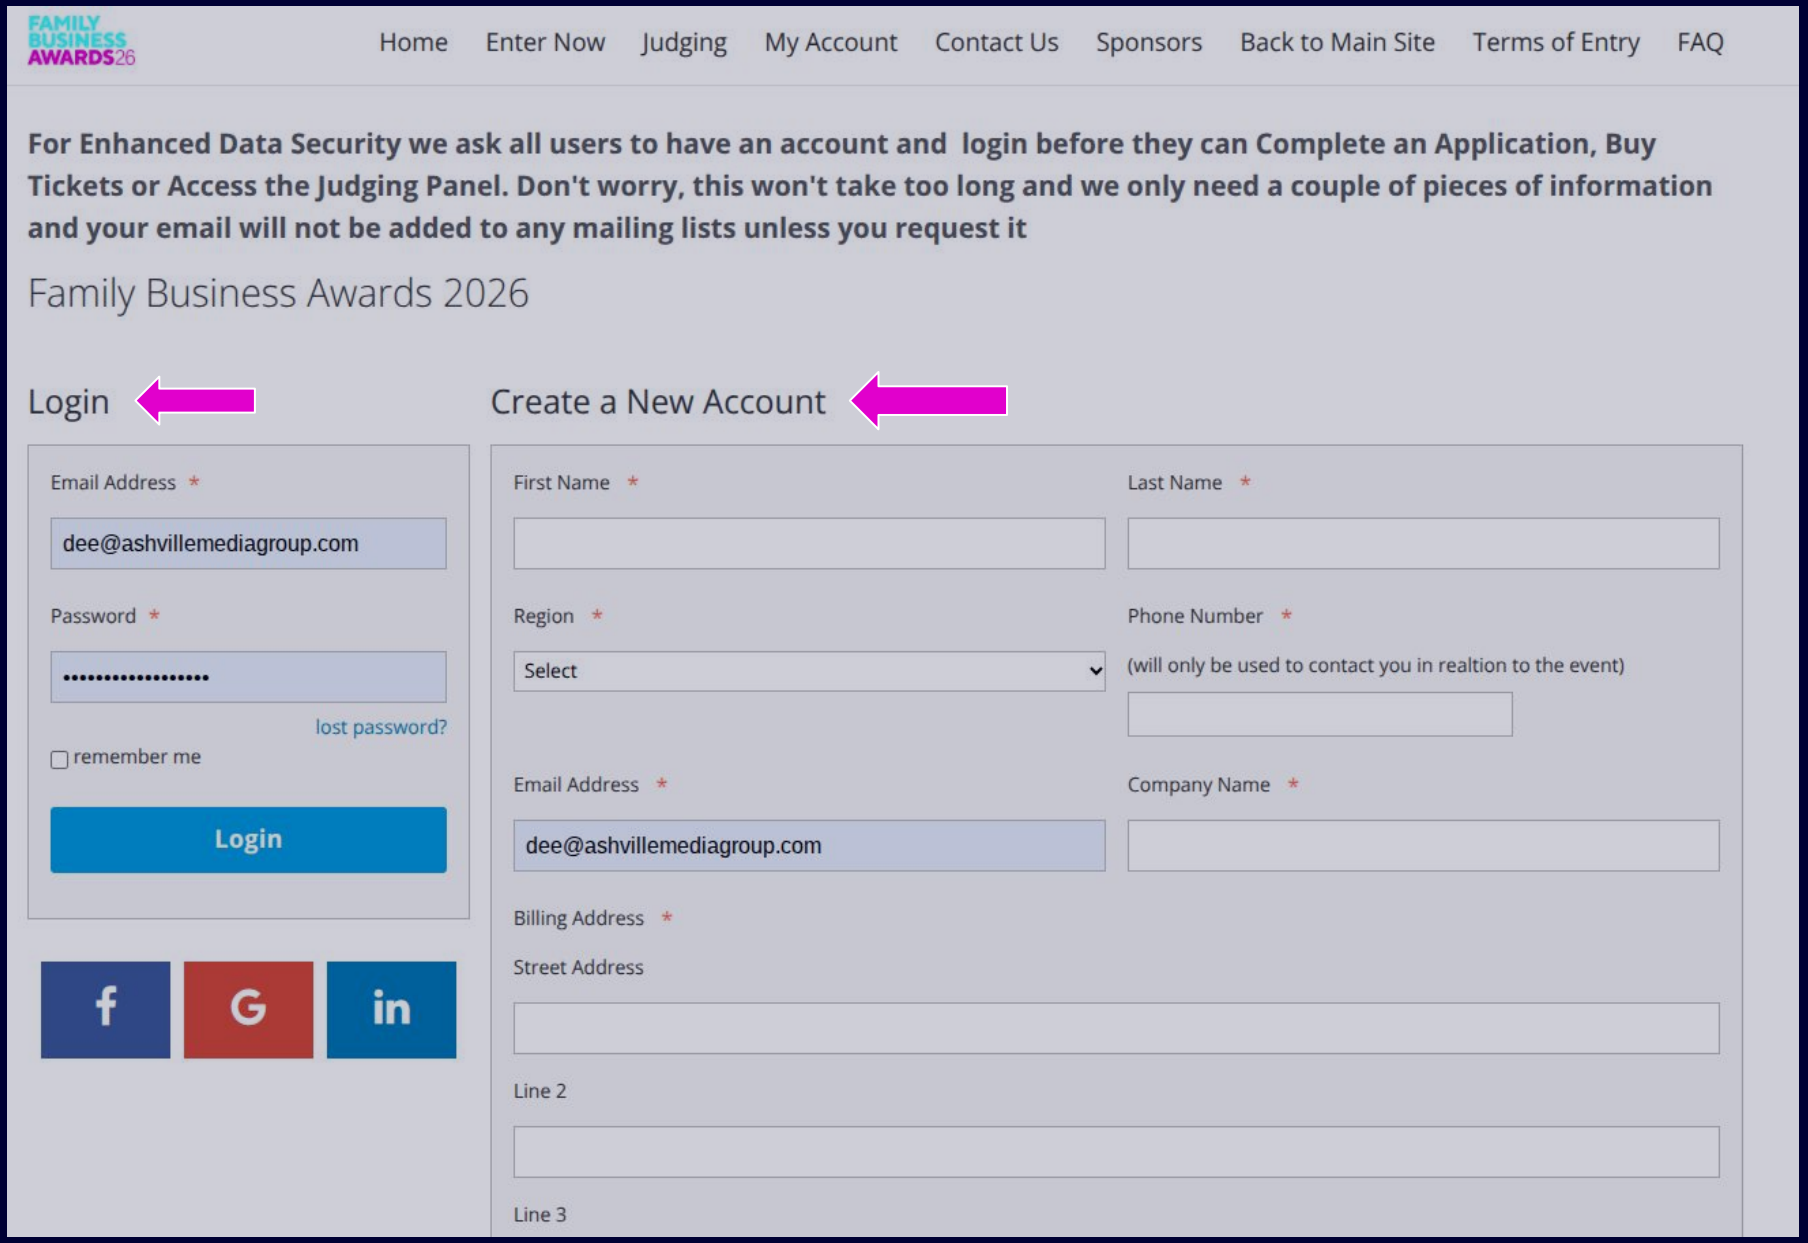
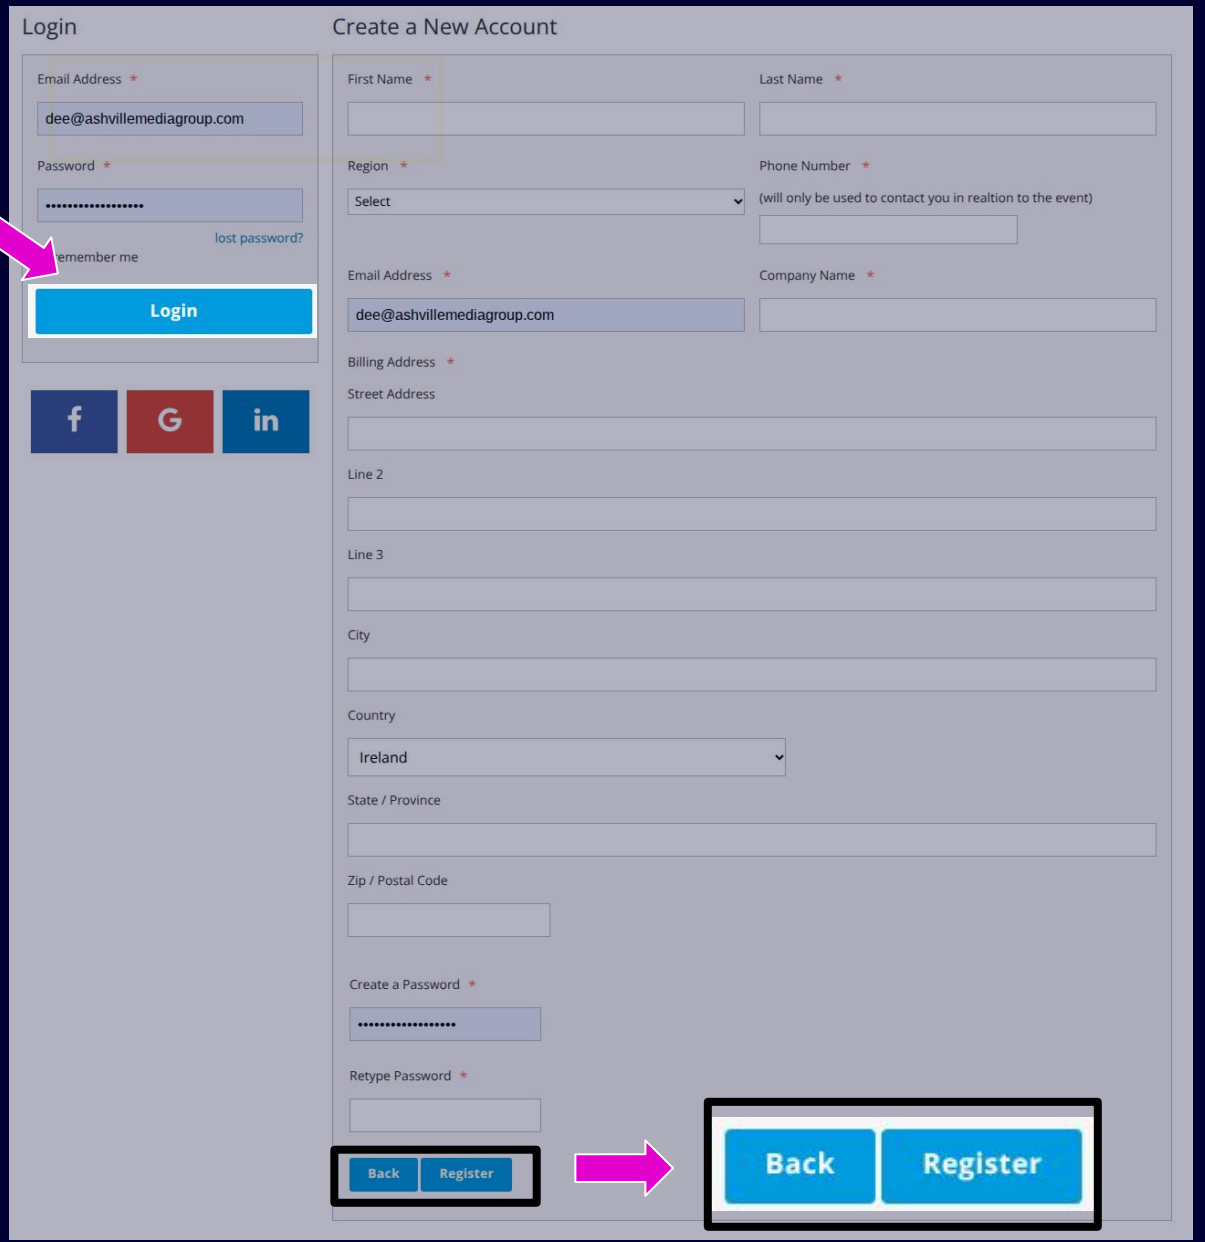
Browse the categories list and choose the one that best fits your business.



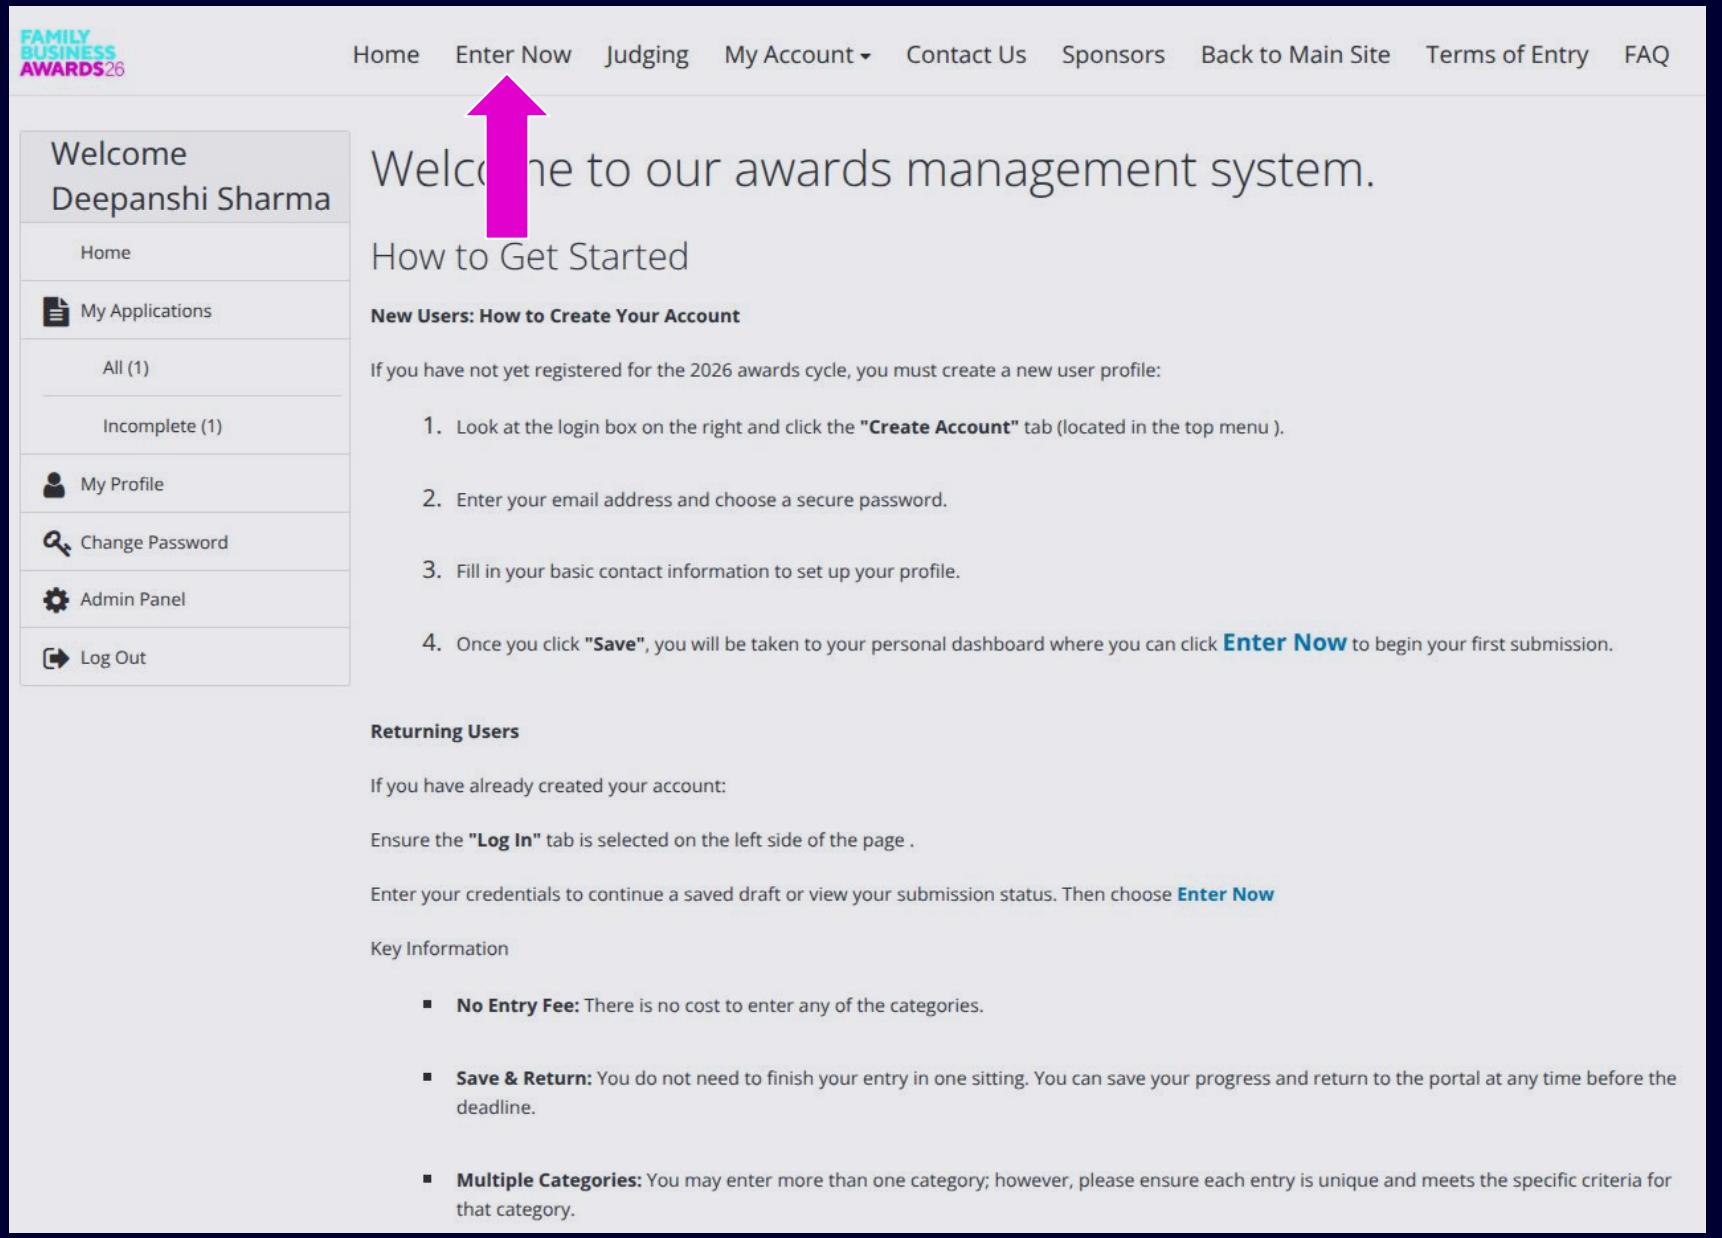
Click on Enter Now button to start your Entry.



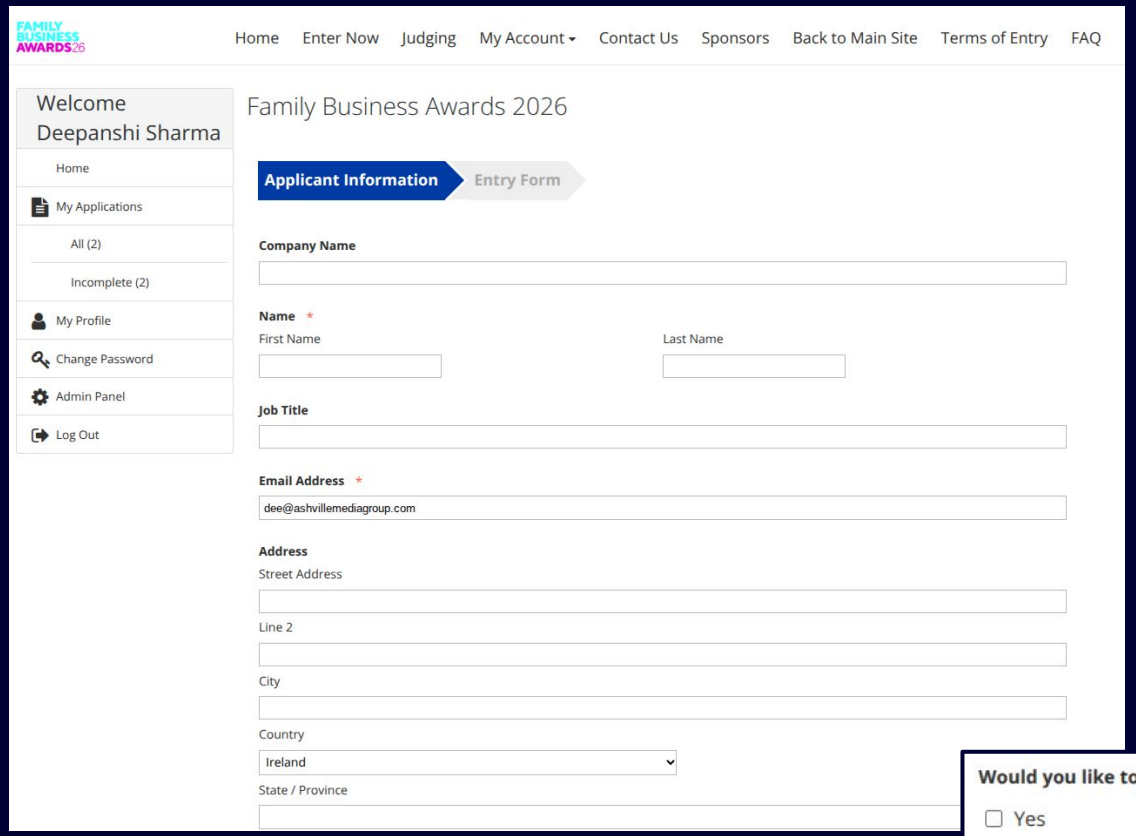
Create a new account to get started, or log in if you already have one.



To Create a new account, please fill in your details and click Register.
Once you have Registered, login to your account.

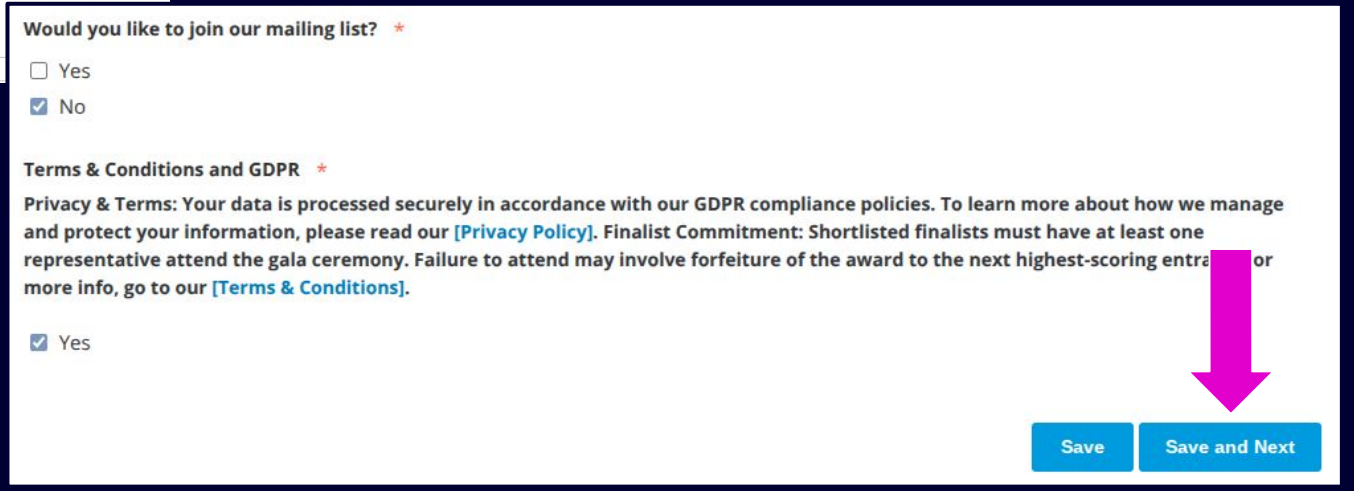


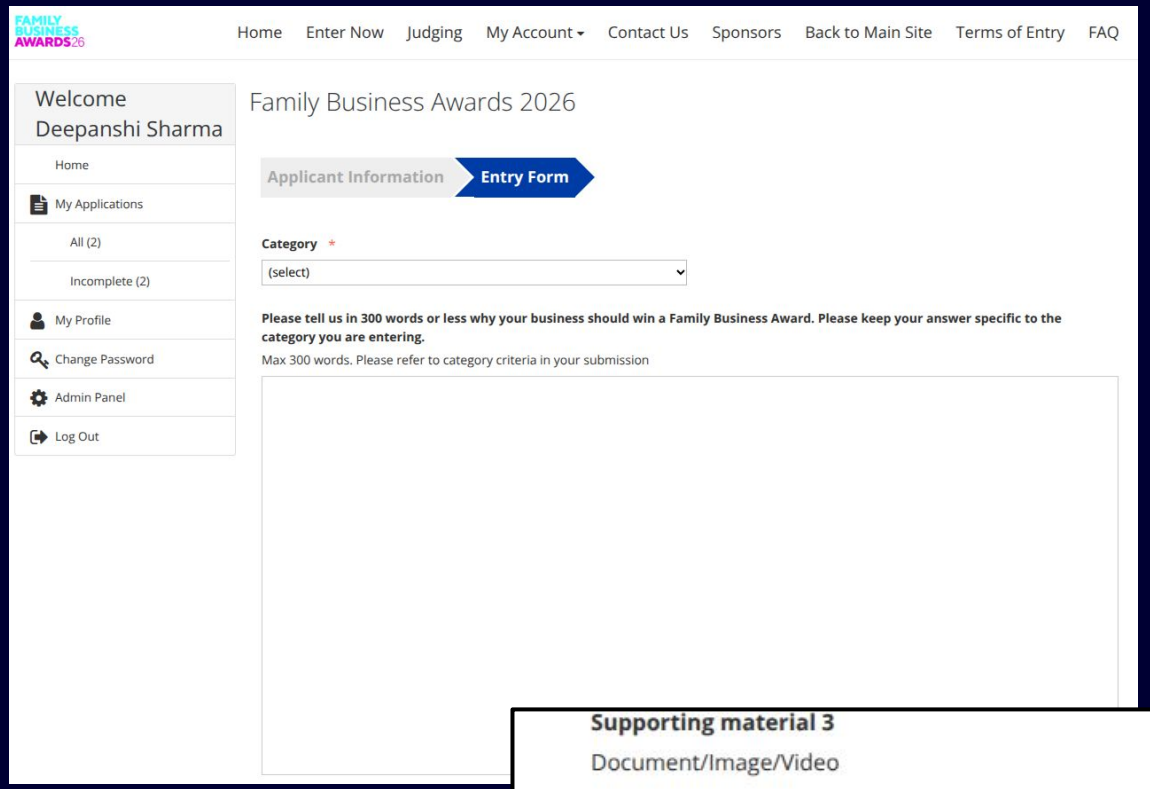
Once you have registered and logged in, click ENTER NOW on the top bar.



To Start your entry, fill in the Contact Information page. Once you've completed it, scroll down to the bottom and click Save and Next.

This will take you to the second part of your submission.



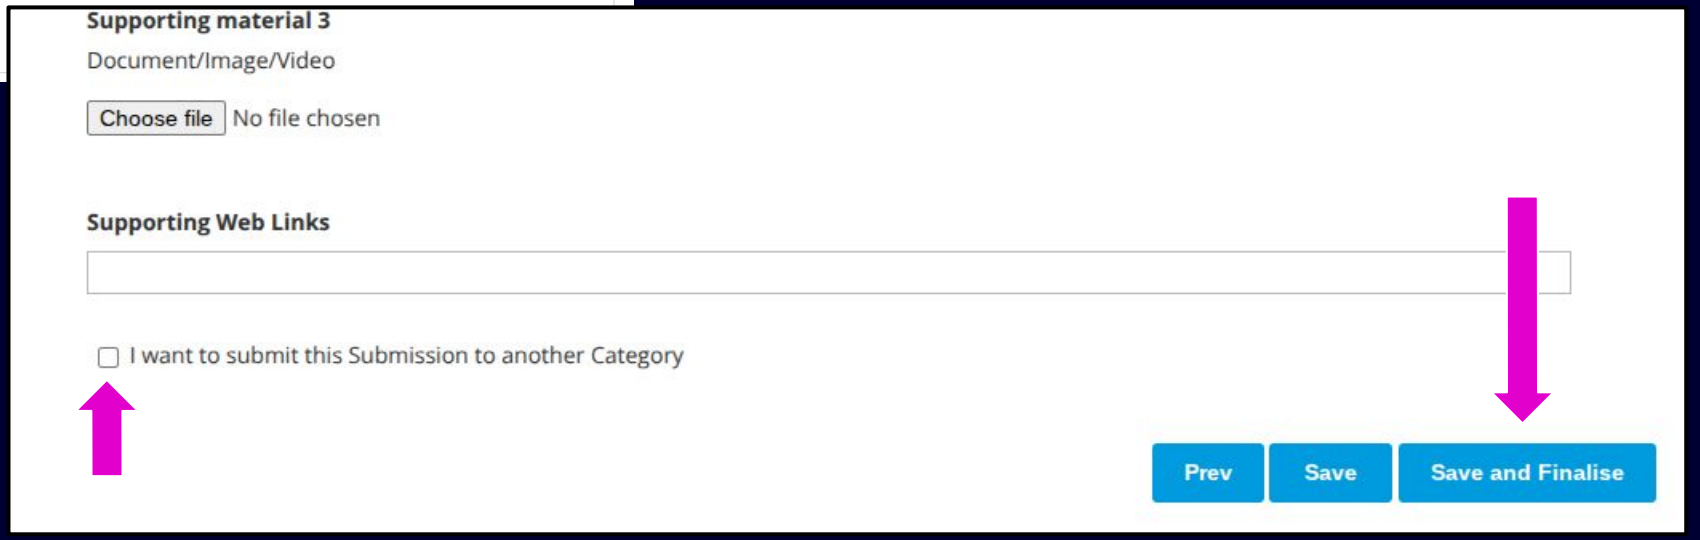


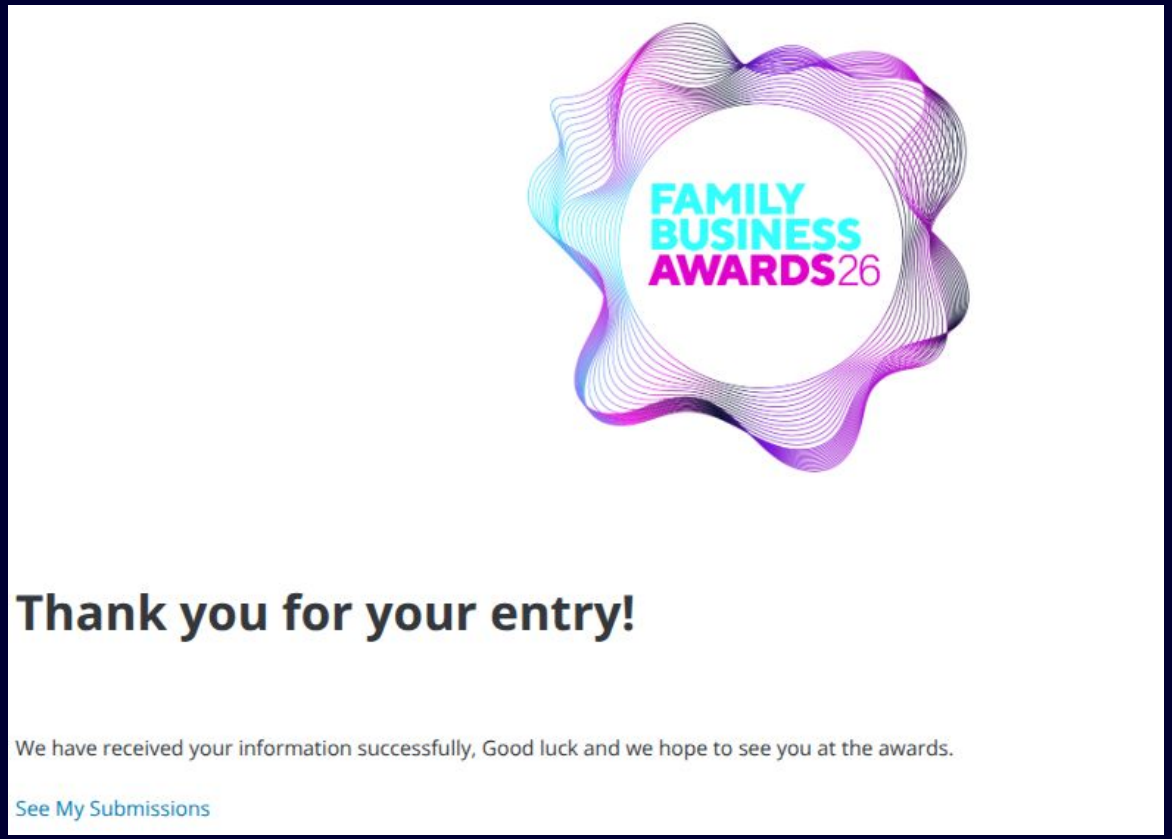
Continue by filling in the required information, then scroll down to the very end.

At this point, it's important that if you do not want to submit another entry, you click Save and Finalise .

However, if you plan to submit additional entries, tick the box "I want to to submit this submission to another category" before clicking Save and Finalise.

By doing this, you'll only fill out the second form of your next submission.





Once you click Save and Finalise. Your entry will be completed, and you'll receive a confirmation email.
